

Incoming 5th Grade's 2020 Summer Reading Activities

Enjoy!!!

Over the summer vacation each student is required to read three books and complete an activity for each book. You may do the same activity for each book or mix it up. The choice is yours. Your child may choose a book from the suggested reading list or a book of their choice. Students will turn in their projects when we return to school in August. Enjoy your summer. I am looking forward to seeing you and your wonderful reading projects in the fall!
